Zadeva: ERC: vabilo na ERC citalnico 13.6. / Invitation to the ERC Reading Day 13/06
Datum: sreda, 28. maj 2025 14:12:02
Priloge: [image001.jpg](#)
[image002.png](#)

Spoštovani,

prijazno vabljeni na ERC citalnico v petek 13. junija od 13.00 do 15.00 v sejni sobi v 5. nadstropju MVZI, Kotnikova 38, Ljubljana, kjer si boste lahko ogledali izbrane uspešne prijave ERC projektov. Tako boste lahko videli, kako so uspešni prijavitelji predstavili svojo znanstveno idejo in sami sebe, kar vam bo pomagalo pri oblikovanju vaše prijave.

Prijave, ki jih želite pogledati, je potrebno vnaprej izbrati v prijavnici na spodnji povezavi. Predlagamo, da izberete omejeno število prijav, ki jih lahko smiselno vsebinsko pregledate v času citalnice in da izberete tiste, za katere ocenjujete, da bi vam bile najbolj v pomoč (na primer s panela ERC, na katerega se nameravate sami prijaviti, ali tiste, ki so zaprosili za dodatno opremo). Če bi se pred prijavo želeli posvetovati glede izbora uspešnih prijav, ki bi bile za vas najbolj informativne, vam z veseljem pomagamo.

Ker je število mest omejeno in jih redno zapolnimo, lepo prosimo, da nas v primeru, da se ne boste mogli udeležiti ERC citalnice o tem obvestite in tako sprostite zasedeno mesto, ter omogočite priložnost drugi osebi na čakalni listi.

Naslednjo ERC citalnico nacrtujemo septembra.

Vljudno prosimo, da posredujete vabilo vsem, ki se želijo prijaviti na razpise ERC ali bodo sodelovali pri pripravi projektne prijave.

Dear Sir or Madam,

You are kindly invited to the ERC Reading Day on Friday 13 June from 13:00 to 15:00 in the meeting room on the 5th floor of the Ministry of Higher Education, Science and Innovation, Kotnikova 38, Ljubljana, where you will have the opportunity to see a selection of successful ERC project applications. This will give you the opportunity to see how the successful applicants have presented their scientific idea and themselves, which will help you to shape your application.

The applications you want to see should be pre-selected in the application form at the link below. We suggest that you select a limited number of applications that you can meaningfully review during the reading day and that you select those that you feel would be most helpful to you (for example, from an ERC panel you are planning to apply to yourself, or those that have requested additional support). If you would like to discuss the selection of successful applications that would be most informative to you before you apply, we would be happy to help.

As places are limited and we fill them regularly, we kindly ask that if you are unable to attend the ERC Reading Room, please let us know to free up a vacant place and give another person on the waiting list the opportunity to attend.

We are planning the next ERC Reading Day in September.
